

# 610 PRO FISHER

The name says it all. Surtees Pro Fisher opens up a whole new experience for fisho's that want nothing to get in the way of them and their catch.

Surtees Pro Fisher Centre Consoles are serious fishing machines offering 360 degrees of manoeuvrability and fishing space.

Given the incredible popularity of the 575 Pro Fisher, it made sense that serious anglers would want a larger option and the 610 Pro Fisher was deployed with all of the Surtees SiQ™ technology.
