

620

GAMEFISHER

The 620 Game Fisher is designed for those who demand the best. From its innovative features to its modern aesthetic, this boat demonstrates Surtees' commitment to innovation and improvement.

The 620 Game Fisher incorporates a raised sheerline, delivering a sleek, contemporary look that sets it apart on the water. The elevated sheerline isn't just about aesthetics—it also allows the customer more space to walk around the side of the boat.

With a beam of 2260mm, the 620 is simple to tow and will fit perfectly in your garage. Its thoughtfully designed proportions make it ideal for both trailering and tackling tough offshore conditions, making every experience in your Surtees a great one.
