The Surtees premium Game Fisher range is designed for all-weather fishing, family fun, and overnight adventures. The 670 Game Fisher features Surtees innovation at its best, providing you with a modern look and all the comforts you could want for a great day out on the water.

Incorporating the raised sheerline to deliver a sleek new look as well as extra space to walk around the side of the boat, and a larger dash to accommodate up to a 19 inch sounder and all the extras you want, the 670 has been thoughtfully designed to be comfortable for the whole family whether you are cruising on the lake or heading out wide to catch the big fish.
